State officers, regular received the returns for President and once the worse for that. Gall B. State officers, nor full full returns as to Johnson is editor and proprietor of the novel, "Roxy," appeared in Scribner, county officers. Enough however, is known to enable us to state that Green it for any one who wishes a Houston bear with us, on this anniversary, when

The Austin Statesman urges the erection of a cotton factory at Austin. It says: To demonstrate the value of mills in the midst of our cotton fields, and to show the value of the Colorado and to show the value of the Colorado river water for manufacturing purposes, it is only eccessary for us to have this nucleus, cround which would, in a few short years, cluster industries, siving en ployment to thousands of laborers and supplying means of sustenance to as many people as now inhabit Austin All of which is even more applicable to San Marcos. If she is ever to be the

THE ticket was so long at the late election that it required a'l night, all next day and part of the night following to count out at this poll.

large town which has been anticipated by some, it can only be through this

The Decrunial of Scribner's Scribner's Monthly celebrates its tenth birthday with a permanent change of cover, and with a number (for Novem ber) which the conductors have done all in their power to make one of exception al beauty, interest and value, as it is also the largest number of Scribner ever issued. Scribner's cover has turned ir in violet to a warm brown, and n the de sion the aim has been distinctoess, simplicity and a rich decorative effect. Mil let's most famou- picture, "The Sower." engraved by Cole, forms the fronti-piece and among the principal artistic teatures of the number are a striking portrait of Gladstone, printed in the body of the magazine, but without type either on the same page or on the back of the page; a new portrait of Walt Whitman; an exquisite engraving of a Russian unu which will recall former successes of this kind, such as the portraits of the sm by Unurles de Kay; and reproduc-Scribner. With this number is begun the second and concluding part of Eugene Schuyler's profusely illustrated life Peter the Great, entitled "Peter the tireat as Ruler and Reformer," also a The literary interest of this number of Scribger, whether intentional or not, is mainly of the personal kind-nearly evconspiruous individuality; even Miss Phelps's story has for its hero a real MARKET. person, whose tragic fate is here record ed. The most famous of the names A good supply of other Staple and after the historical ones of the great Fancy Groceries on hand. Call on him Peter, and the Bonapartes, is that of and profitable, I am Gladstone. The authorship of this arti cle is not divulged, but it is evident that the writer has had exceptional opportuni

Heretofore any one desiring a Magazine or newspaper, must subscribe and pay for it a long time beforehand. Now any one only has to pay for what they get, and the same price they would have to pay if they bought it over the publisher's counter, And if not pleased they are not obliged to continue it or lose their money, but can stop at any lose their money, but can stop at any lose their money. Busides, should show Busides, should sho in the true literary spirit; he tells some new stoties about the great showman. World's Dispensary Medical Associated thinks that the notion that one tion, is in estruction selling his medicines joker is about as good as another is un fair to W rd, and that he is no more capable of duplication than any other man of genius. An illustrated paper on the Day of the capable of the capable of duplication than any other man of genius. An illustrated paper on the Capable of "Bordentown and the Bonapartes" will open a new and currous chapter of American society to most readers. The article on "Tableaux," with pictures by Miss Oakey, goes more thoroughly than usual into the artistic espabilities of such entertainments. "The Secret of Second sight" is authoritatively revealed by an ex conjurer. But there is no paper in the number which will be read also for surgical cases, the Faculty feel also for surgical cases, the Faculty feel ed by an ex conjurer. But there is no with greater interest, especially by the elders of this generation of his country men, than that on the late President Leonard Woods, of Bowdoin College, by Mr. Richard Henry Dana, who was once.

> Woods. The poems of the number are by H. H. Boyesen, Mrs. Pintt, H. H., and others. believe it to be strictly true, that American engraving has achieved its eminence in the world simply because Scribner's

Peabody fund to establish more attention to the policy adopted by Scrib per some years ago. of fosterior American writers of serial novels, and refers as fruits of the polier to the works of Mr Cable, author of The Grandissimes, g un at the right end, and may yet prove one of the best friends of free and Mrs. Burnett, author of That Lars schools, because in this requ

can claim also Bret Harte's only novel We are in regular receipt of the Daily and the Sexe Holm stories. Dr. Eggleswe attempt to give them a summing up of what we have done for them, for the small sum of forty dollars? We have given them twenty large volumes of good illustrated reading, on all possible topics, and in all possible forms of literary art. These volumes have contained sixteen thousand seven hundred and thirty-two pages of matter, illustrated by six thousand six hundred and eighty eight woodcute, costing from ten dollars to three hundred dollars each. Out of the meterial published in these twenty volumes, there have been made and published over fifty books, the retail price of which amounts to more than twice the subscription price of the magazine during the whole period, to say nothing of other volumes to appear, like Schuyler's 'Peter the Great, Sensier's 'Life of Millet,' Steadman's work on the American poets, etc." The fifty books referred to above are only a small part of the immense mass of material of which the twenty marazine volumes are composed.

CIRCULAR TO THE TRADE

OFFICE OF MARTIN HINZIE, WHOLESALE GROCER AND CON-MISSION MERCHANT AND DEALER IN RAILROAD SUPPLIES.

PALESTINE, TEXAS, Sept. 1, 1880. The completion of the I & G. N. Railroad to San Marcos, and the improvement of various wagon roads leading to contiguous towns, will make that city the natural distributing point for a large rection of country that has heretolure depended on Austin and San Antonio and the seaboard towns for its supplies; entailing the disadvantage of a long haul over rough mountain roads.

Recognizing the advantages of San Marcos as a business point, the richness of the surrounding country which is destined to support a large population, Countess Potocks, and of Modjesks); en- I am now erecting a business house gravings after Vedder's works, notably there and will as soon as possible (I "The Lost Mind," accompanying a critics hope by October 1st.) open an extensive

COTTUN

Those who have shipped me the past season will testify that I have saved them money and given general satisfaction, both in classification and prices. By referring to the official quotations of the different markets during three of the best Cotton months of last winter it will be seen that to, and frequently higher, than New Orleans or Galveston. Greater facilities this season for storing and shipping Cotton, will enable me to serve my customers with still better results.

C .OCERIES.

The very rapid increase of my sales for the past two years (doubling in amount each year) is the best evidence that this is really the foremost distributing market for Groceries in Texas. Such a satisfactory result, in the face of the sharpest competition, from strong and influential rival markets, is certainly a guarantee that I am able to offer very positive advantages.
